

Advocacy:

- € After nearly 2 years in the Service, our incredible Coordinator, Kevin Nan will be leaving his role in January to pursue another opportunity. The posting for Advocacy Coordinator is currently open. While it is not a firm requirement, we have a strong preference for hiring Law Students.

Peer Support:

- € Peer Support is operating on limited hours starting this week, as we accommodate for limited availability of volunteers during the final projects and exam season.

Food Bank

- € On Thursday of last week, AMS Services held a card-decorating event in the Atrium of the Nest to help decorate the 650 holiday cards for the Food Bank Holiday Hampers. The event was really nice, and we had around 200 students drop in to decorate cards. We still have lots of cards leftover that we would like to get decorated, so we are considering hosting another decorating event. If you are interested in helping to decorate some cards, please get some from Joanne ☺
- € **The Food Bank is looking for additional volunteers to help hand out holiday hampers at the Food Bank on the afternoons of December 18th and 21st!** If you have any availability in the afternoon of either Dec 18th or 21st, we are grateful for your support helping to make this program possible. [Please sign](#) up by December 8th, and we will reach out with a schedule on December 12th.
